Thank you for downloading the **Massive Illusions** demo.

INSTALLATION

1. Drag and drop the "Massive Illusions Demo" folder into your default Massive user library folder. It is usually located here:

...\Documents\Native Instruments\Massive\Sounds

2. Launch Massive in standalone mode and open "Options" from the file menu.

3. Select the "Browser" tap and click "Rebuild DB".

NOTE: **Massive Illusions** requires NI Massive version 1.3 or higher.
