

Thank you for downloading the **Omnisphere Symbiosis** demo.

INSTALLATION

1. Drag and drop the "Omnisphere Symbiosis Demo" folder into the following folder:

...\STEAM\Omnisphere\Settings Library\Patches

2. Launch Omnisphere and hit the "half-circle" button at the bottom of the Patch Browser window.

3. You may need to open a new instance of Omnisphere to see the library added.

NOTE: **Omnisphere Symbiosis** requires Spectrasonics Omnisphere version 1.5.8 or higher.
